Message from the President

Nova Southeastern University is Florida's largest independent university based on enrollment and the 10th largest independent institution in the United States. As president of NSU, I invite you to become an ambassador of this remarkable educational showcase that is entering its fifth decade.

In 1967, NSU served an entire student body of 17 from one building. Today, we have more than 23,000 students enrolled in 16 academic centers, with programs offered in 24 states and many foreign countries. The university boasts more than 76,000 alumni.

The university's sustained growth is due in large part to its exploration of alternative strategies in educating professionals and its commitment to excellence in academics, clinical training, community service, and well-rounded opportunities for all students. The essence of NSU is collaboration at all levels and with diverse partners.

As you pursue your studies at Nova Southeastern University, you are welcomed as a member of the university community. Along with your membership to the university community comes many rights and responsibilities. This *Student Handbook* outlines these rights and responsibilities, university policies and procedures, and university resources.

We look forward to a lifelong partnership with you, our student. The entire NSU community is dedicated to providing service and academic excellence to you as you continue on the road to graduation and your success in the new millennium.

NSU History

Nova Southeastern University (NSU) is a not-for-profit, fully accredited, coeducational institution. It was founded in 1964 as Nova University of Advanced Technology. In 1974, the board of trustees changed the university's name to Nova University. In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University.

NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced more than 76,000 alumni.

Based on fall-term enrollment as a measure, Nova Southeastern University is the largest independent institution of higher education in the Southeast with more than 23,000 students and is the 10th largest independent institution nationally. NSU is one of 164 colleges and universities statewide and one of 83 independent four-year institutions in Florida.

The university awards associate's, bachelor's, master's, educational specialist, doctoral, and first-professional degrees in a wide range of fields, including business, counseling, computer and information sciences, education, medicine, dentistry, pharmacy, various health professions, law, marine biology, psychology, and other social sciences. The university offers 21 undergraduate majors through the Farquhar College of Arts and Sciences.

Nova Southeastern University has the only college of optometry in Florida and the only colleges of pharmacy and dentistry in South Florida. The institution also enjoys an excellent reputation for its programs

for families offered through the Mailman Segal Institute for Early Childhood Studies and University School, including innovative parenting, preschool, primary, and secondary education programs. University School of Nova Southeastern University, a fully accredited independent college preparatory day school, enrolls students in prekindergarten through 12th grade and operates from NSU's main campus in Fort Lauderdale.

NSU's programs are administered through academic centers that offer courses at campuses in Fort Lauderdale, North Miami Beach, and Dania Beach as well as other locations throughout Florida, across the nation, and at selected international sites. Despite the geographic diversity of sites where classes are offered, 82 percent of the student body attends classes in Florida, and 73 percent of all students enrolled attend classes in the tricounty area (i.e., Miami-Dade, Broward, and Palm Beach counties). With an annual budget of approximately \$322 million in 2002–2003, Nova Southeastern University also has a significant economic impact on the surrounding community. A recent NSU study revealed that the university and its students and employees contributed more than \$731 million to the Florida economy during fiscal year 2000–2001.

Student Life

Student Life

Student Affairs

The mission of Student Affairs is to foster student success and a university community. Administered by the Office of the Dean of Student Affairs, overseen by the dean and associate dean of student affairs, Student Affairs provides cocurricular learning opportunities and services that are conducive to student growth and development. It is composed of the following offices.

Office of Career Services

The Office of Career Services provides career counseling and job search assistance. The center educates students and alumni to develop a career-life plan, from choosing a major to conducting a job search, and from exploring career and/or graduate/professional school opportunities to securing employment. Career counseling, resume writing, career testing and assessment, career and job search related workshops, a career resource library, online registration, job search assistance, and campus recruiting are available.

Office of Student Activities and Leadership Development

The Office of Student Activities and Leadership Development provides NSU students the opportunity to become involved in extracurricular programs through the student government association, student organizations, academic societies, Greek organizations, religious groups, service clubs, and special interest groups.

Office of Residential Life and Housing

The Office of Residential Life and Housing provides students with a total educational experience by facilitating an enjoyable campus living experience. The residence halls are living/learning centers that provide an environment conducive to student success. Opportunities in a variety of academic, cultural, social, leadership, and recreational activities facilitate personal development. Functions that enhance student growth through the Office of Residential Life include an educational judicial process, crisis intervention, mediation, and counseling referrals. The Office of Housing provides quality facilities for students who live on campus. The office coordinates the administrative processes of all on-campus housing including assignments, contracts, billing, facilities, and maintenance of the five on-campus residence halls. On-campus housing consists of a traditional residence hall with private bath facilities for undergraduate students as well as apartment housing for upper-class undergraduate and graduate students.

Office of Recreation and Wellness

The Office of Recreation and Wellness provides programs and services that foster the education and development of the mind, body, and spirit of the NSU community. These include intramural sports, fitness programs, outdoor recreation trips, and instructional classes. The RecPlex facility boasts a 2,600-square-foot swimming pool, two tennis courts, three basketball courts, cardiovascular fitness equipment, free-weight strength-training equipment, a multipurpose recreation area, and a covered patio.

Student Union

The Student Union serves as the central location bringing the NSU community together by providing facilities, programs, events, and services that enhance the quality of campus life. This multiuse facility includes the Flight Deck with a dance floor, stage, TVs, booths, and reasonably priced food and beverages; several meeting rooms; and a small theater for NSU students and employees.

Office of Student Development and Special Events

The Office of Student Development and Special Events provides overall direction and support for division-wide student development initiatives and special programs. This office also adjudicates policy violations of the student code of conduct and updates the annual *Student Handbook*. Major events sponsored by the office include Hollywood Squares, the Life 101 speaker series and the annual Student Life Achievement Awards. Additionally, the director also serves as one of the advisers to the Presidential Knights, a prestigious group of student leaders who accompany the NSU president by serving as ambassadors for university-sponsored events. The Office of Volunteerism/Community Service Outreach also falls under this area.

Campus Traditions

Homecoming

Homecoming is a reunion weekend for alumni, students, faculty members, staff members, and friends of NSU. The social activities and athletic events organized by the Office of Student Activities and Leadership Development, the Alumni Office, and the Department of Athletics provide opportunities for the NSU community to celebrate shared experiences. For further information about homecoming events, please contact (954) 262-7290.

Greek Life

The Greek life experience at NSU offers endless opportunities for students. Many successful leaders in business, politics, education, and entertainment developed their skills in the Greek community. Greek members come together from all walks of life with a common goal: to achieve excellence in every aspect of life.

The opportunity for leadership development is one of the greatest assets of membership into any Greek organization. Hands on experience as a chapter officer, committee chairperson, or active member allows you to develop skills, which will benefit you throughout your career at NSU as well as in your professional endeavors. Whether academic, social, or service —NSU Greek life has a place for you.

Got Wood

The fall semester always begins in grand fashion with the annual “Got Wood” event. Apart from the great food and entertainment, all clubs and organizations are very involved while actively promoting their club and recruiting new members. Food, fun, and tradition fills the air as “Got Wood” kicks off the fall semester each year.

Life 101...Personally Speaking

Nova Southeastern University’s “Life 101...Personally Speaking” series is a joint effort between the Department of Student Affairs and the Office of Public Affairs. The series has as its goal to bring various leaders from business, industry, entertainment, politics, and athletics to our campus to be interviewed by a faculty member with a similar format to *Inside the Actor’s Studio* (Bravo Channel). Students and staff get an upfront, personal look at the “life lessons” these various leaders have learned throughout their career while sharing their life’s stories with our audience.

Hollywood Squares

Sponsored by the Student Affairs staff, this annual event is a spin-off of the actual television show. Hollywood Squares is hosted by the dean of students and the squares are made up of various members of faculty and staff. Students are selected to play the game and compete for grand prizes such as trips, cruises, and cash prizes worth thousands of dollars.

Student Life Achievement Awards

This annual spring semester event is put on yearly by the Student Affairs staff. This annual awards ceremony, similar to televised award shows, honors NSU's best in the following core values: scholarship, leadership, involvement, commitment, integrity, and responsibility. The goal of this program is to further a sense of campus community and to recognize achievements by students and staff members. The Stueys, as the event is commonly referred, provides much deserved recognition to the various students and faculty and staff members within the university community.

Office of Volunteerism/Community Service Outreach

This office, which falls under the Office of Student Development and Special Events, is the one-stop office within the university community that provides volunteer opportunities and community service within NSU and the surrounding community. Some volunteer opportunities include the annual "Senior Prom," a dinner and dance with local nursing home residents in the Fort Lauderdale area; Habitat for Humanity; soup kitchens; homeless shelters; toy and clothing drives; and an annual spring egg hunt to benefit those in our community that are less fortunate.

Career Expo

As a founding member of the Southeast Florida Career Consortium (SFCC), the Office of Career Services hosts the annual Career Expo every winter. The SFCC is a joint coalition of career service professionals from several South Florida universities and gives students and alumni the opportunity to seek intern, part-time, and full-time employment as well as to network with local, regional, and national employers.

Major organizations attending previous Career Expos include American Express, Coca-Cola, Enterprise Rent-A-Car, BellSouth, Rexall Sundown, Sysco, The Wackenhut Corp., the United States State Department, the Federal Bureau of Investigation (FBI), Miami-Dade Public Schools, and more.

Human Services Job Fair

The Human Services job fair is held on campus every fall to link employers in the not-for-profit, for-profit, government, and other employers/agencies who provide human services. This event is targeted at psychology, counseling, family therapy, guidance, criminal justice, mediation and conflict analysis, and related majors. Employers represented have hired NSU students for internships, part-time jobs, and full-time jobs.

Student Union

Rosenthal Student Center is NSU's student union, which serves as the central location bringing the NSU community together by providing facilities, programs, events, and services that enhance the quality of campus life. This multiuse facility showcases a fun, pub-type environment called the Flight Deck. Located on the second floor of the student union, The Flight Deck includes a serving bar with a beer and wine license, a wooden dance floor, a stage, a 65-inch HDTV, seven 25-inch TVs with movie channels and DirecTV, two dartboards, two pool tables, a ping-pong table, a foosball table,

various magazines and board games, and different seating areas. Open daily until 11:00 p.m., The Flight Deck is a popular place on campus for students to meet, greet, and eat.

The student union is host to a variety of weekly activities, student events, happy hours, and union sports. Every Wednesday is Buck Bingo with students attempting to win NovaBucks. The NovaBucks program encourages student involvement and participation in activities. It is an NSU currency that can be used to purchase exclusive NSU paraphernalia, fund student trips, or pay for snacks and beverages in The Flight Deck. The student union sports program features a bowling league and sponsors tournaments in eight-ball and nine-ball billiards, table tennis, darts, dominoes, spades, and a sports quiz bowl.

Rosenthal Student Center also contains NSU's main cafeteria; two meeting rooms; the CyberCafe with four computers; and a 53-seat movie theater with surround sound, a 100" screen, projector, DVD player, VCR, and a PlayStation 2 game console. The Conference Services program provides facilities, audio/visual equipment, and food/beverage service for student organizations and NSU personnel to host meetings, functions, and events. The Flight Deck may be reserved on Saturday nights for private parties. Rosenthal Student Center is also home to ARAMARK Dining Services, the NSU Bookstore, WNSU radio station, and several NSU student affairs offices. Those include the Office of the Associate Dean of Student Affairs, Student Development and Special Events, Student Activities and Leadership Development, and the Student Union office.

Inexpensive food and beverages, unique services, and friendly staff help make the Rosenthal Student Center a convenient and comfortable environment for events and services benefiting the NSU community. For further information or reservations, please call (954) 262-7288 or view the Web site at www.union.nova.edu.

Newspaper

The *Knight* serves as the official student newspaper at NSU and is an established vehicle for the transmission of student reporting, opinion, and arts. All community members are invited to contribute to the *Knight*. The *Knight* is readily available at several sites around the main campus and local community, including the east campus. For further information, please call (954) 262-8455, or visit the Web site at www.knight-online.nova.edu.

Radio Station—WNSU

WNSU was formed in August 1990 to provide an opportunity for Nova Southeastern University students to gain knowledge and experience in radio broadcasting. Under an agreement with the Broward County School Board, WNSU broadcasts on 88.5 FM after 7:00 p.m. NSU Radio X focuses on playing cutting-edge music as well as featuring specialty shows seven days a week. Radio X is a voice in the community that introduces new music to listeners and provides local and world news, weather reports, sports updates, and NSU news. For further information, please call (954) 262-8457.

Student Organizations

Reservation of Power

This *Student Handbook* is not intended to be a contract or part of a contractual agreement between NSU and the student. The *Student Handbook* is available online at www.nova.edu/cwis/studentaffairs/forms/ustudenthandbook.pdf. Changes in the content of the *Student Handbook* may be made, at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This *Student Handbook* supercedes all previous handbooks, documents, and directives where they may be in conflict. The *Student Handbook* is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it. Students are expected to be familiar and comply with all the policies and procedures contained within the *Student Handbook* including any revisions or modifications.

Nova Southeastern University reserves the right to amend, modify, add to, or delete its rules, policies, and procedures without notice, affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the university and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in the judgment of the administration such changes are required in the exercise of its educational responsibility.

Nondiscrimination Statement

Consistent with all federal and state laws, rules, regulations, and/or local ordinances (e.g. Title VII, Title VI, Title III, Rehab Act, ADA, Title IX), it is the policy of Nova Southeastern University not to engage in discrimination or harassment against any persons because of race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, status as a disabled veteran, or political beliefs and to comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations.

This nondiscrimination policy applies to admissions, enrollment scholarships and loan programs, athletics, employment, and access to and treatment in all university centers, programs, and activities. NSU admits students of any race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, status as a disabled veteran, or political beliefs and activities generally accorded or made available to students at NSU and does not discriminate in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

Code of Student Conduct and Academic Responsibility

Purpose: This code seeks to promote high standards of behavior and academic integrity by setting forth the responsibilities of students as members of the university community. Abiding by the code ensures a climate wherein all members of the university community can exercise their rights of membership.

Code of Student Conduct Statement

The university is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the university or with the rights of other members of the university cannot be tolerated. Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the university's function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the university retains the power to maintain order within the university and to exclude those who are disruptive to the educational process.

In support of the Code of Student Conduct, any violations of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures may result in disciplinary action and/or criminal prosecution. Violations of academic and/or supplementary standards will be handled through the student's academic college, center, or school. Violations of conduct standards, supplementary standards, university policies, and/or procedures will be handled by the Office of the Dean of Student Affairs or by the individual academic college, center, or school as deemed appropriate.

Changes to the Code of Student Conduct and Academic Responsibility will be posted on the Student Affairs Web site. Students are required to be familiar with the rules, policies, and Code of Student Conduct and Academic Responsibility.

Nova Southeastern University Statement of Student Rights and Responsibilities

Nova Southeastern University, as a community of women and men, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to ensure all students an equal opportunity to fulfill their intellectual potential through pursuit of the highest standards of academic excellence.

Certain rights and obligations flow from membership in any academic community committed to such goals:

- the rights of personal and intellectual freedom, which are fundamental to the idea of a university
- scrupulous respect for the equal rights and dignity of others
- dedication to the scholarly and educational purposes of the university and participation in promoting and ensuring the academic quality and credibility of the institution

Students are responsible for obtaining, learning, and observing the established university and academic center policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution, as well as those of Broward County, the state of Florida, as well as any other laws, rules, and/or regulations of other jurisdictions. All members of the community should inform the appropriate official of any violation of conduct regulations.

A. Academic Standards

The university is an academic community and expects its students to manifest a commitment to academic integrity through rigid observance of standards for academic honesty. The university can function properly only when its members adhere to clearly established goals and values. Accordingly, the academic standards are designed to ensure that the principles of academic honesty are upheld.

The following acts violate the academic honesty standards:

1. **Cheating:** intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise
2. **Fabrication:** intentional and unauthorized falsification or invention of any information or citation in an academic exercise
3. **Facilitating Academic Dishonesty:** intentionally or knowingly helping or attempting to help another to violate any provision of this code
4. **Plagiarism:** the adoption or reproduction of ideas, words, or statements of another person as one's own without proper acknowledgment

Students are expected to submit tests and assignments that they have completed without aid or assistance from other sources. Using sources to provide information without giving credit to the original source is dishonest. Students should avoid any impropriety or the appearance thereof in taking examinations or completing work in pursuance of their educational goals.

Students are expected to comply with the following academic standards:

1. Original Work:

Assignments such as course preparations, exams, texts, projects, term papers, practicum, etc., must be the original work of the student. Original work may include the thoughts and words of another author. Entire thoughts or words of another author should be identified using quotation marks. At all times, students are expected to comply with the university and/or program center's recognized form and style manual and accepted citation practice and policy.

Work is not original when it has been submitted previously by the author or by anyone else for academic credit. Work is not original when it has been copied or partially copied from any other source, including another student, unless such copying is acknowledged by the person submitting the work for the credit at the time the work is being submitted, or unless copying, sharing, or joint authorship is an express part of the assignment. Exams and tests are original work when no unauthorized aid is given, received, or used before or during the course of the examination, re-examination, and/or remediation.

2. Referencing the Works of Another Author:

All academic work submitted for credit or as partial fulfillment of course requirements must adhere to each program center's specific accepted reference manuals and rules of documentation. Standards of scholarship require that the writer give proper acknowledgment when the thoughts and words of another author are used. Students must acquire a style manual approved by their center and become familiar with accepted scholarly and editorial practice in their program. Students' work must comport with the adopted citation manual for their particular center.

At Nova Southeastern University, it is plagiarism to represent another person's work, words, or ideas as one's own without use of a center-recognized method of citation. Deviating from center standards (see above) are considered plagiarism at Nova Southeastern University.

3. Tendering of Information:

All academic work must be the original work of the student. Giving or allowing one's work to be copied, giving out exam questions or answers, or releasing or selling term papers is prohibited.

4. Acts Prohibited:

Students should avoid any impropriety or the appearance thereof, in taking examinations or completing work in pursuance of their educational goals. Violations of academic responsibility include, but are not limited to the following:

- plagiarism
- any form of cheating
- conspiracy to commit academic dishonesty
- misrepresentation
- bribery in an attempt to gain an academic advantage
- forging or altering documents or credentials
- knowingly furnishing false information to the institution

5. Additional Matters of Ethical Concern:

Where circumstances are such as to place students in positions of power over university personnel, inside or outside the institution, students should avoid any reasonable suspicion that they have used that power for personal benefit or in a capricious or arbitrary manner.

B. Conduct Standards

1. Students should not interfere with the rights, safety, or health of members of the university community nor interfere with other students' right to learn. Students are expected to abide by all university, center, and program rules and regulations and all local, state, and federal laws.

Violations of conduct standards include, but are not limited to

- a. theft (including shoplifting at any university service center, e.g., bookstore, food service facility), robbery, and related crimes
- b. vandalism or destruction of property
- c. disruptive behavior/disorderly conduct (e.g., in residence halls and classrooms, or at university-sponsored events, on or off campus)
- d. physical or verbal altercation, assault, battery, domestic violence, or other related crimes
- e. gambling
- f. possession or use of firearms, fireworks, explosives, or other dangerous substances or items
- g. possession, transfer, sale, or use of illicit and/or illegal drugs or alcohol if a minor
- h. appearance in class or on campus under the apparent influence of drugs or alcohol, illegal or illicit drugs or chemicals
- i. any act or conspiracy to commit an act that is harassing, abusive, or discriminatory or that invades an individual's right to privacy; sexual harassment; discrimination and abuse against members of a particular racial, ethnic, religious, on the basis of sex/gender, sexual orientation, marital status or cultural group and/or any other protected group or as a result of an individual's membership in any protected group
- j. sexual misconduct

- k. stalking
 - l. unacceptable use of computing resources
 - m. impeding or obstructing NSU investigatory, administrative, or judicial proceedings
 - n. threats of or actual damage to property or physical harm to others
 - o. any activity that may be construed as hazing (“hazing” is defined as: any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of a university) or engaging in, supporting, promoting, or sponsoring hazing or violating university rules governing hazing
 - p. failure to pay tuition and fees in a timely manner
 - q. embezzlement or misuse of NSU and/or student organizational funds or monies
 - r. failure to comply with the directives of NSU officials
 - s. violation(s) of the terms or condition of a disciplinary sanction(s) imposed
 - t. violation of any policy, procedure, or regulation of the university or any state or federal law, rule, regulation, or county ordinance
 - u. fraud, misrepresentation, forgery, alteration or falsification of any records, information, data, or identity
2. Students must have authorization from the university to have access to university documents, data, programs, and other types of information and information systems. Any use of the above without authorization is prohibited.

C. Supplementary Standards

Students are expected to comply with the legal and ethical standards of this institution and those of their chosen field of study, including the Code of Ethics for Computer Usage. The university and each center or program may prescribe additional standards for student conduct. Additions or changes to the standards for student conduct will be posted on the center and/or Student Affairs Web site.

D. Violations

Any violation(s) of any of the academic standards, conduct standards, or supplemental standards may result in a complaint being filed against a student to enforce the Code of Student Conduct and Academic Responsibility. Deans, associate deans, or directors may, in their discretion, immediately suspend students pending a hearing on charges of academic, conduct, or supplemental standards violations. Violations of academic, conduct, or supplemental standards are subject to disciplinary action, up to and including, expulsion from the university. Violations of academic standards will be handled through the student’s academic college, school, or center. Violations of conduct or supplementary standards will be handled by the Office of the Dean of Student Affairs or by the individual academic college, school, or center as deemed appropriate.

E. Sanctions

If the student is found in violation of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures, one or more of the following sanctions may be imposed:

1. Expulsion:

Permanent dismissal from the university with no right for future readmission under any circumstances. A student who has been expelled is barred from campus and/or visiting privileges.

2. Suspension:

Mandatory separation from the university for a period of time specified in an order of suspension. An application for readmission will not be entertained until the period of separation indicated in the suspension order has elapsed. Readmission is subject to approval of the university. During the period of suspension, the student is barred from campus visiting privileges unless specific permission is granted by the dean of student affairs or designee.

3. Temporary Suspension:

Action taken by the dean of student affairs/associate dean of student affairs, which requires a student's temporary separation from the university until a final determination is made of whether or not a student is in violation of the Code of Student Conduct and Academic Responsibility.

4. Final Disciplinary Probation:

A disciplinary sanction serving notice to a student that his/her behavior is in flagrant violation of university standards, under which the following conditions exist:

- a. The sanction is for the remainder of the student's career and may be reviewed by the dean of student affairs no sooner than two regular academic semesters or equivalent after the sanction is imposed. After two semesters in attendance, a student may initiate a request in writing for reduction of the sanction to disciplinary probation, but must also demonstrate reason to substantiate the request.
- b. Another violation of the Code of Student Conduct and Academic Responsibility will at a minimum result in suspension.

5. Disciplinary Probation:

A disciplinary sanction serving notice to a student that her/his behavior is in serious violation of university standards. A time period is indicated during which another violation of the Code of Student Conduct and Academic Responsibility will automatically raise the question of a more severe sanction (suspension or expulsion) if the student is found in violation.

6. Disciplinary Warning:

A disciplinary sanction serving notice to a student that her/his behavior has not met university standards. This sanction remains in effect for a designated number of semesters of attendance after which it is expunged from the student's file.

7. Verbal Warning:

A verbal warning is a verbal admonition to the student by a university staff member that his/her behavior is inappropriate. A verbal warning will be noted in the student's file for a period of time after which it is expunged from the student's file.

8. Fines:

Penalty fees payable to the university for violation of certain regulations with the Code of Student Conduct and Academic Responsibility.

9. Restitution:

Payment made for damages or losses to the university, as directed by the adjudicating body.

10. Restriction or Revocation of Privileges:

Restriction or revocation of privileges is the temporary or permanent loss of privileges, including, but not limited to, the use of a particular university facility, visitation privileges, and parking privileges.

11. Termination or Change of Residence Hall Contract/Accommodation:

Termination or change of residence hall contract/accommodation is a disciplinary sanction that terminates or changes the Residence Hall Contract/Accommodation. This should be accompanied by another form of disciplinary action. It is considered permanent unless lifted by the dean of student affairs/associate dean of student affairs/director of residential life or designee.

12. Counseling Intervention:

When extreme behavior indicates that counseling may be beneficial, the student may be referred to counseling.

13. Other Appropriate Action:

Disciplinary action not specifically outlined above, but approved through the dean of student affairs/associate dean of student affairs or designee.

14. Parent/Legal Guardian Notification:

NSU personnel reserve the right to contact or notify a student's parent(s) or legal guardian(s) of a minor student, under 21 years of age, in writing or by phone, when alcohol or drug violations of university policy occur, for other violations of NSU policy and procedure, and/or when NSU personnel determine a student's safety and/or welfare is at risk.

F. Appeal Process

An appeal of disciplinary action taken by the Office of the Dean of Student Affairs or its designee must be made in writing to the dean of student affairs within 72 hours of the receipt of the written disposition of the hearing. In appealing a disciplinary decision, the appeal must fall into one of the following categories:

1. the student has new evidence that was not available prior to the original hearing
2. the disciplinary process was not adhered to during the student's hearing
3. the sanction(s) do not relate appropriately to the violation

A written decision will be provided by the dean of student affairs within a reasonable amount of time from receipt of the appeal request. The decision of the dean of student affairs will be final. For appeals of disciplinary action taken by individual colleges, centers, or schools, please consult the academic section of this handbook related to this area and/or academic dean or designee.

**Specific University
Policies and Procedures**

Specific University Policies and Procedures

Admissions Policy

Please refer to the specific admission policies and procedures for each individual program center, college, or school.

In general, students are provisionally admitted to a degree-seeking program based on a review of unofficial transcripts or other specific program admission requirements. However, this admission includes a condition that final and official documents and requirements must be received within 90 calendar days from the start of the term. If these final and official documents and/or requirements are not received by that time, the student will not be allowed to continue class attendance. Financial aid will not be disbursed to a provisional/conditional student until he or she has been fully admitted as a regular student (all admission requirements have been approved by the college/program admission office). Students who have an unpaid balance 30 days from the start of the term will be assessed a \$50 fee.

Alcohol Policy

Nova Southeastern University, as an institution of higher education, is dedicated to the well being of all members of the university community—students, faculty members, employees, and administrators. Concerned with the misuse of alcohol and other drugs (both licit and illicit), it is the policy of NSU to endeavor to prevent substance abuse through programs of education and prevention.

NSU recognizes alcoholism and drug abuse as illnesses or treatable disorders, and it is NSU's policy to work with members of the NSU community to provide channels of education and assistance. However, it is the individual's responsibility to seek help. NSU also recognizes that the possession and/or use of certain substances are illegal. NSU is further obligated to comply with all local, state, and federal laws.

The policy governing the use of alcohol by students at Nova Southeastern University is in compliance with the laws of the state of Florida prohibiting the consumption of alcoholic beverages by persons who are minors (under the age of 21). The policy is based on the use of alcohol in moderation and under appropriate circumstances. The university recognizes that students are adults and are expected to obey the law and take personal responsibility for their own conduct. The laws of the state of Florida prohibit the possession or consumption of alcohol by persons less than 21 years of age.

1. The university will not authorize the use of student activity fees or other student funds collected and administered by the university to provide alcoholic beverages for any student event.
2. The sale, delivery, possession, and/or consumption of alcoholic beverages on any property owned and controlled by NSU is strictly prohibited, except as licensed by the state of Florida or otherwise permitted in these regulations. The use of alcoholic beverages on university premises shall be considered a privilege and may be allowed only if consistent with state laws and university regulations, and only when it will not interfere with the decorum and academic atmosphere of the campus.
3. Exception to this prohibition is made for university housing residents of legal drinking age. The possession and use of alcoholic beverages in university housing is governed by the *Residential Living Guide*.

4. The president, or an appropriate designee, may approve other exceptions to this prohibition, to allow possession or consumption of alcoholic beverages by persons of legal drinking age at designated events and locations on campus.
5. The use of alcoholic beverages off campus by students of legal drinking age is permissible. However, incidents of intoxication and/or misconduct are subject to university disciplinary action. Students are expected to comply with municipal, state, and federal laws pertaining to the possession and consumption of alcoholic beverages. Any violation of these laws may result in disciplinary action including, but not limited to, probation, suspension, or expulsion from the university.

Guidelines for the Use of Alcohol at University Student Events

1. Nova Southeastern University functions, which are student oriented, may serve only beer and wine. All requests for such events must be coordinated through NSU's Office of the Dean of Student Affairs.
2. Entry fees may be charged, but this fee is only for admission to the event, not for the sale of beer or wine.
3. One-quarter hour before the approved ending time listed on the exemption, ticket sales will stop.
4. Any advertisements for the event (including leaflets, invitations, posters, letters, and all other forms of advertisements) cannot advertise alcohol. These advertisements must display the following information: Beverages will be available. Must have valid state-issued picture identification for verification of age.
5. An adequate amount of food and alternative beverages (such as water, juice, assorted sodas, coffee, and teas) must be available throughout the duration of the event. This food and beverage will be provided at the cost of the organization holding the event. The amount of food and beverages appropriate for the size of the event will be determined by the director of the student union.
6. No organization or individual may purchase beer or wine for an event. All beer and wine must be purchased and served by the Office of the Dean of Student Affairs. No other alcohol is permitted.
7. The director of the student union or designee will be present during an event at which beer and wine are served. If the director is not available, then a university employee will be designated by the Office of the Dean of Student Affairs. The organizational contact of the event must be present during the entire event as a point of contact for the director of the student union or designee.
8. The sponsoring organization is responsible for ensuring that all university policies are strictly obeyed. These guidelines do not override existing university policies, but rather, these guidelines should be used in conjunction with any and all other university policies.
9. Appropriate precautionary measures must be in place to ensure that alcoholic beverages are not served to persons under the legal drinking age. These measures include having a designated individual, as deemed by the Office of the Dean of Student Affairs, screening people entering the event and attaching a bracelet or stamp indicating those of legal drinking age. At any time during the event, the screening individual has the option to decline identification provided by an individual. The entire staff working the event has the right to refuse service to individuals deemed as having enough alcohol before or during the event.
10. Under no circumstances should anyone be coerced to drink alcohol. All drinking games, contests, or events that encourage excessive drinking are prohibited. The sponsoring organization is responsible for ensuring that all NSU policies and procedures are strictly obeyed.

11. It shall be at the discretion of the Office of the Dean of Student Affairs whether to make arrangements and pay for any security needs necessary based on the specifics of the event and the number of estimated attendees.
12. Violations of these guidelines during the event may result in the closing of the event. All individual violations will be referred to the Office of the Dean of Student Affairs for review. The university can take disciplinary actions as a result of violations of these guidelines.

Abuse/Physical Assault

Nova Southeastern University has expectations of the student body to resolve differences in a mature and respectful manner. Physical abuse, verbal abuse, threats, intimidations, coercion, and/or other conduct that threatens or endangers the health, safety, and/or welfare of any other member of the university community on or off campus is prohibited.

Acceptance of Professional Fees

The activities of students in any other profession, position, or vocation are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, dentistry, public health, law, psychology, counseling, nursing, audiology, and/or education. It is a violation of the law and contrary to the policy of this university for any unlicensed person to engage in the professional practice of health care, law, psychology, audiology, and/or education. Students who are appropriately licensed in a profession may engage in that professional work to the extent provided by the law. (Students of the College of Osteopathic Medicine are required to comply with the College of Osteopathic Medicine's policy and procedure regarding professional work while enrolled.)

Arson

No student shall commit or aid in the intentional commission of an act that results in a fire being ignited, which causes damage, or is intended to cause damage, to the property of the university or the personal property of any member of the university community.

Bomb Threats

The placement of a bomb threat is an intolerable violation of university policy, which will result in expulsion from the university.

Breaking and Entering

The entering, or attempt to enter, any room, building, motor vehicle, or other form of property without proper authorization or consent is prohibited.

Campus Security Report

Nova Southeastern University, through the Public Safety Department, annually publishes the Campus Security Report, which includes security policies, procedures, practices, and statistics for offenses. Information is also available on the NSU public safety Web site at www.nova.edu/cwis/pubsafety.

Cellular Phone Policy

The university recognizes the growing trend regarding student possession of cellular phones with video, camera, or voice recording capabilities. In support of each individual's reasonable expectation of privacy, the copyright and intellectual property laws, the use of these cellular phone features by NSU students must be in conjunction with express consent. Students are expressly forbidden to video, use camera or voice recordings without the express consent of the subject(s) being photographed or recorded. Any student whose use of their cellular phone violates another's reasonable expectation of privacy or produces any media as a result of the cellular phone capabilities without express consent may be found in violation of this policy. Violations of this policy may lead to disciplinary action that may result in confiscation of the cellular phone and referral to Student Affairs as a violation of the NSU Code of Student Conduct. Students are instructed to refer to their center's or college's individual program policies regarding cellular phone use and possession, because additional restrictions may apply.

Closing Hours

No student is permitted to enter or remain in any university building or facility, including the swimming pool, or in the academic areas of the university, after normal closing hours, unless written approval to do so has been obtained in advance from authorized university personnel.

Complicity

Students associated with, or present during, the commission of an act(s) by another, which constitutes a violation of university policy, may also be charged if the student's behavior constitutes permission, contributes to, or condones the violation.

Computers

The following five sections detail NSU policy related to the use of computers, email, and the Internet.

Acceptable Use of Computing Resources

This policy provides guidelines for the appropriate and inappropriate use of the computing resources of Nova Southeastern University. It applies to all users of the university's computing resources including students, faculty and staff members, alumni, and guests of the university. Computing resources include all computers, related equipment, software, data, local area networks, and listservs for which the university is responsible as well as networks throughout the world to which the university provides computer access.

The computing resources of Nova Southeastern University are intended to be used for its programs of instruction and research and to conduct the legitimate business of the university. All users must have proper authorization for the use of the university's computing resources. Users are responsible for seeing that these computing resources are used in an effective, ethical, and legal manner. Users must apply standards of normal academic and professional ethics and considerate conduct to their use of the university's computing resources. Users must be aware of the legal and moral responsibility for ethical conduct in the use of computing resources. Users have a responsibility not to abuse the network and resources, and to respect the privacy, copyrights, and intellectual property rights of others.

In addition to the policy contained herein, usage must be in accordance with applicable university policies (see Related policies listed at the end of this section) and applicable state and federal laws. Among the more important laws are the Florida Computer Crimes Act, the Federal Computer Abuse Amendment Act 1994, the Federal Electronic Communications Privacy Act, and the U.S. Copyright Act. Copies of these laws and the NSU copyright policy may be examined in the Office of Academic Affairs.

Policy violations generally fall into five categories that involve the use of computing resources:

1. for purposes other than the university's programs of instruction and research and the legitimate business of the university
2. to harass, threaten, discriminate, stalk, intimidate, or otherwise cause harm or attempt to cause harm to specific individuals or classes of individuals
3. to impede, interfere with, impair, or otherwise cause harm to the activities of others
4. to download, post or install to university computers, or transport across university networks, material that is illegal, proprietary, in violation of license agreements, in violation of copyrights, in violation of university contracts, or otherwise damaging to the institution
5. to recklessly, willfully, negligently, or maliciously interfere with or damage NSU computer or network resources or computer data, files, or other information

Examples (not a comprehensive list) of policy violations related to the above five categories include:

- using computer resources for personal reasons
- sending email on matters not concerning the legitimate business of the university
- sending an individual or group repeated and unwanted (harassing) email or using email to threaten someone
- accessing, or attempting to access, another individual's data or information without proper authorization (e.g. using another's computing account and password to look at their personal information)
- creating a false email address
- propagating electronic chain mail, pyramid schemes or sending forged or falsified email
- obtaining, possessing, using, or attempting to use someone else's password regardless of how the password was obtained
- copying a graphical image from a Web site without permission
- posting a university site-licensed program to a public bulletin board
- using illegally obtained licensed data/software, or using licensed data/software in violation of their licenses or purchase agreements
- releasing or threatening to release a virus, worm, or other program that damages or otherwise harms a system, network, or data
- preventing others from accessing services
- attempting to tamper with or obstruct the operation of NSU's computer systems or networks
- using or attempting to use NSU's computer systems or networks as a means for the unauthorized access to computer systems, networks, or data outside the university
- viewing, distributing, downloading, posting or transporting child or any pornography via the Web, including sexually explicit material for personal use that is not required for educational purposes

- using university resources for unauthorized purposes (e.g. using personal computers connected to the campus network to set up web servers for illegal, commercial, or profit-making purposes)
- violating federal copyright, intellectual property, and/or trademark laws or the NSU copyright, intellectual property, and/or policy

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation to the university. In cases where a user violates any of the terms of this policy, the university may, in addition to other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

The following policy is also available at www.nova.edu/common-lib/policies/casp.policy.html.

Nova Southeastern University (NSU) has adopted the following Computing Account Security Agreement, which outlines your responsibilities for securing and using an official NSU computing account. Use of an NSU computing account requires your acceptance of the policy terms and conditions stated below.

1. You must agree to abide by the NSU Policy on Acceptable Use of Computing Resources, which can be found online at www.nova.edu/common-lib/policies.
2. You must not share your account with other individuals for any reason. Your computer account is to be used only by you.
3. The password to your account must be kept secure. Commit your password to memory. You may change your password at any time. Always choose a password that is difficult to guess. Your password must be eight characters in length and contain a combination of both letters and numbers. It must not be any word that can be found in a dictionary. Choose a password that is meaningful to you but not obvious to others. Examples of acceptable passwords are: 29py94ju, as76df98, 98df7gh6.
4. NSU computer systems will monitor your password on a regular basis. If your password is guessed by the system, you will be notified by electronic mail. If you receive such notification, immediately change your password to prevent anyone from tampering with your account.
5. NSU is not responsible for the loss of any files, documents or electronic mail you may store online. It is your responsibility to make backups of your files.
6. If you do not access your account for a period of six months, it will be deleted from the system.
7. Inappropriate conduct and violations of this agreement will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual's affilia-

tion to the university. In cases where a user violates any of the terms of this agreement, the university may, in addition to other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

Access to NSU Online Systems

In order to access the university's computing resources, all NSU students must provide their own Internet access service through a suitable Internet service provider (ISP).

Electronic Mail Communications

NSU provides students and faculty and staff members with one official computer account that is used to access major computing resources, including electronic mail. These university-assigned computer accounts correspond directly to NSU email addresses (see below). All official electronic mail communications directed to NSU students and faculty and staff members will be sent exclusively to NSU-assigned computer accounts to ensure timely and accurate delivery information. NSU students may forward their NSU generated email to external locations, but do so at their own risk.

Relationship between NSU computer account and email address:

If your assigned computer account name is *janedoe* ...

Your email address will be *janedoe@nsu.nova.edu*

Note: A computer account may also be referred to as an email name or a username.

Web Pages—Use of Material

You should assume that materials you find on the Web are copyrighted unless a disclaimer or waiver is expressly stated. You may not place any materials owned by others (i.e., copyrighted works) on your Web pages(s) without the expressed permission of the copyright owner (examples: graphic images from other Web pages, articles, video, audio, photographs, software, or images scanned from published works). You may include short quotations of text provided you identify in an obvious way (e.g., in a footnote) the author and the work from which the quotation is taken. If you want to include something from another Web page in one of your Web pages, then link to it rather than copy it. The occurrence of plagiarism on your Web page is subject to the same sanctions as apply to plagiarism in any other media. Images in the NSU graphics repository may be used on Web pages without permission. Clip art images provided with licensed software may be used if permitted in the license agreement for such software. You may not place any pictures or videos of people on a Web page without the expressed permission of the people in the picture or video. Every person has the right to privacy, which includes the right to restrict the use of his/her own image. In addition, the picture or video may be protected by copyright.

If you have received formal permission to use material owned by another, place the following notice on the page that contains the copied material: Copyright 2004 by (name of the copyright owner). Used with permission.

Although a copyright notice is not required to assert your rights to your own original material, you may want to include a minimal notice of copyright in a Web page footer when appropriate. When used, the copyright notice should appear as follows:

- Web pages:
Copyright 2004 (your name). All rights reserved.
- Organization Web pages (examples):

Consensual Relations Between Faculty Members and Students

At Nova Southeastern University, romantic and sexual relationships between a faculty member and a student are subject to the prohibition against sexual harassment.

Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member's class (including supervised student activities for which academic credit is given) may appear to be coercive, and are prohibited. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in that class. It is, therefore, improper conduct and prohibited for a faculty member to engage in a romantic or sexual relationship with a student then enrolled in the faculty member's class.

Contracting on Behalf of the University

Unless specifically authorized by the appropriate university authority, students may not contract on behalf of the university. Students who attempt to, or enter into, a contract on behalf of the university without proper authorization, are subject to disciplinary action that will result in a hold being placed on university records and transcripts until restitution is made, as well as such other sanctions as may be appropriate. Any contract entered into on behalf of the university by a student without proper authorization is void.

Disabilities

Nova Southeastern University complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. No qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any activity, service, or program of the university solely by reason of his or her disability. Each qualified individual with a disability who meets the academic and technical standards required to enroll in and participate in Nova Southeastern University's programs shall be provided with equal access to educational programs in the most integrated setting appropriate to that person's needs through reasonable accommodation.

At the postsecondary level, it is the student's responsibility to initiate the process for disability services. The process for obtaining a reasonable accommodation is an interactive one that begins with the student's disclosure of his/her disability and a request for a reasonable accommodation. The student has the responsibility to provide Nova Southeastern University with proper documentation of his/her disability from a qualified physician or clinician who diagnoses his/her disabilities and sets forth the recommended accommodations.

Student requests for accommodation will be considered on an individual basis. Each student with a disability should discuss his or her needs with the disability service representative in his or her academic center, college, or school before the commencement of classes. For the name and contact information of the disability support services representative at your academic center, college, or school, contact the Office of the Dean of Student Affairs at (954) 262-7280.

Academic Accommodation(s) Process

Requests for accommodation must be made in writing to the disability service representative in the student's academic center, college, or school and must be supported by appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. If the student disagrees with the accommodation(s) proposed by the disability service representative in consultation with the appropriate program director and/or faculty member, he or she may appeal the decision through that center's, college's, or school's appellate process. If the issue cannot be satisfactorily resolved at the center, college, or school level, the student may appeal in writing no later than 10 days after the final decision to the university's Academic Accommodation Appellate Committee, which consists of the university's ADA coordinator and representatives from at least four different academic centers, colleges, and/or schools. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will also review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee's decision within a reasonable amount of time of the hearing. The decision of the university's Academic Accommodation Appellate Committee is final and binding upon the student without further appeal.

Academic Accommodation Appellate Committee Guidelines

1. Upon receipt of a notice of appeal, the ADA coordinator shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:

- any recording of the meeting, except official minutes
- legal counsel
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

Facility and Grounds Accommodation(s) Process

Students requesting an accommodation involving modification to a facility or the grounds of the university must meet with the ADA coordinator—the associate dean of student affairs—to discuss his or her needs. Requests for accommodation must be made in writing to the associate dean of student affairs and be supported by the appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. Requests for an accommodation involving modification to a facility or grounds of the university will be considered on an individual basis. When considering the request, the ADA coordinator will consult with the director of the specific facility (e.g., residential life and housing) involved in the request for accommodation and the director of facilities management.

If the student disagrees with the facility or grounds accommodation proposed by the ADA coordinator, he or she may appeal in writing no later than 10 days after the decision to the Facility and Grounds Accommodation Appellate Committee, which consists of the university dean of student affairs, associate vice president of facilities management or his/her designee, and a disability service representative from at least three different academic centers, colleges, and/or schools. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee's decision within a reasonable amount of time of the hearing. The decision of the university's Facility and Grounds Accommodation Appellate Committee is final and binding upon the student without further appeal.

Facility and Grounds Accommodation Appellate Committee Guidelines

1. Upon receipt of a notice of appeal, the dean of student affairs shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:

- any recording of the meetings except official minutes
- legal council
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

Discriminatory Conduct

Discriminatory conduct based on such factors as race, color, religion, sex, national origin, disability, age, ancestry, marital status, sexual orientation, pregnancy, unfavorable discharge from the military, status as a disabled veteran or political beliefs, including but not limited to, violations under all federal and state laws, rules, regulations, and/or acts including, but not limited to, Title VII, Title VI, Title IX, Title II, Title III, Americans with Disability Act and the Rehab Act are unacceptable and

prohibited in the university. In the event a student feels discriminated against by another student, an NSU faculty or staff member, or an employee, she or he should contact her/his appropriate academic center representative or the Office of the Dean of Student Affairs at (954) 262-7280. Students may also want to refer to the NSU Grievance Procedures for Nonacademic Disputes.

Drug-Free Schools and Campuses

In order to comply with the Drug-Free Schools and Communities Act (Pub. L. No. 101-226, Title 34 C. F. R., part 86), Nova Southeastern University has adopted the following policy for all workplace, school, campus, and field-based programs.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and the abuse of alcohol are prohibited in and on property owned or controlled by Nova Southeastern University and as a part of any of its activities (see Controlled Substances Chart in Appendix A).

The term “illicit drugs” refers to all illegal drugs, and to legal drugs obtained or used without a physician’s order. This policy does not prohibit the use of prescribed medication under the direction of a physician. No Nova Southeastern University student or employee is to report to work or school while under the influence of illicit drugs or alcohol. Possession of paraphernalia for illegal drug use, or taking a prescription that does not belong to you, are also prohibited.

There are serious health risks associated with the abuse of drugs and alcohol. If you, a fellow student, teacher, or coworker has a problem with abuse of drugs and/or alcohol, help can be provided at the following locations:

When a student uses or deals in drugs, he or she also risks incarceration and/or fines. The attached federal sentencing guidelines indicate federal penalties for trafficking in drugs. In addition to the federal sanctions, Florida state statutes provide sanctions in regard to the use, possession, and/or sale of illicit drugs and the abuse of alcohol. Punishment varies depending on the amount and type of drugs and/or alcohol involved. Felony convictions range from one year to life imprisonment. Possession of not more than 20 grams of cannabis is punishable as a misdemeanor of the first degree. Punishment for misdemeanors ranges from less than 60 days to one-year imprisonment.

Under Sec. 893.13, Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with intent to sell, manufacture, or deliver a controlled substance. Violation of this statute is a felony and is punishable under Chapter 775 of the Florida Statutes.

Under Sec. 893.13 (1) (c), Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with the intent to sell, manufacture, or deliver a controlled substance in, on, or within

1,000 feet of a public or private elementary, middle, or secondary school. Punishment for a violation of this statute may include a minimum three-year imprisonment.

Under Sec. 316.1936, Florida Statutes: It is unlawful for any person to possess an open container of an alcoholic beverage or consume an alcoholic beverage while operating a vehicle in the state or while a passenger in or on a vehicle being operated in the state. Violation of this law will result in a noncriminal moving traffic violation, punishable as provided in Chapter 318 of the Florida Statutes, with fines and points on a driving record leading to driver's license suspension.

Under Sec. 316.193, Florida Statutes: A person is guilty of driving under the influence (DUI) if such a person is driving or in actual physical control of a vehicle within the state and the person is under the influence of alcoholic beverages or any controlled substance when affected to the extent that his or her normal faculties are impaired or the person has a blood alcohol level of .08 percent or higher. First conviction on such a DUI charge will result in a fine not less than \$250 or more than \$500 and imprisonment for not more than six months. A second conviction results in a fine of not less than \$500 or more than \$1,000 and not more than nine months' imprisonment. A third conviction will result in not less than a \$1,000 fine or more than a \$2,500 fine and imprisonment for not more than 12 months.

By applying for a driver's license and accepting and using a driver's license, a person holding the driver's license is deemed to have expressed his or her consent to submit to breath, blood, and urine tests for alcohol, chemical substances, or controlled substances.

Any Nova Southeastern University student determined to have violated this policy will be subject to referral for prosecution by the appropriate authorities. Other sanctions include evaluation/treatment for drug-use disorder, which may include mandatory completion of a drug/alcohol abuse rehabilitation program, and/or other university sanctioning, which may include expulsion.

All Nova Southeastern University students will, as a condition of their enrollment, abide by the terms of this policy.

Drug Policy—Zero Tolerance

Any student found in violation of the drug-free schools and campuses policy with regard to the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs or alcohol will face serious university disciplinary action, which may include expulsion from the university (see Controlled Substances Chart in Appendix A).

Emergency Situations

To report an on-campus emergency situation from an on-campus phone, contact the police at 9-911 and public safety at extension 8999. If calling from off campus, dial the police at 911 and public safety at (954) 262-8999.

Failure to Comply

All students and guests of NSU are expected to comply with the directives or reasonable requests of university officials acting in the performance of their duties. This requirement includes reasonable requests for students to meet appointments in administrative offices; participation in administration and/or judicial proceedings; and the compliance by the stated deadline with all the terms and conditions of all disciplinary sanctions. Administrative discretion may be used to place a hold on a student's account (registration, grades, etc.) if the student fails to comply with the directions of a university official.

False Information

Providing false or misleading information to the university or a university official, or to a local, state, or national agency or official is a violation of the Code of Student Conduct and Academic Responsibility subjecting a student to disciplinary action up to and including expulsion or rescission.

Falsification of Records

Falsification of university records is prohibited. University records include, but are not limited to, admission, enrollment, registration, financial aid, student disciplinary, academic, health records, parking decals/hang tags and student employment records.

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation with the university. In cases where a student violates any of the terms of this policy, the university will take appropriate disciplinary actions, up to and including expulsion.

Fire Safety

Unnecessarily setting off a fire alarm; unnecessarily tampering with fire hoses, extinguishers, exit signs, and alarm equipment; or blocking fire exits and other means of impeding traffic may result in immediate university disciplinary action and criminal prosecution. Failure to evacuate any building on campus during a fire alarm is also prohibited.

Fraud

Any act or statement (written or oral) containing false, incomplete, or misleading information intended to deceive or misrepresent any agency of the university or any person or business is prohibited.

Gambling

Gambling may include, but is not limited to, wagering on or selling pools on any athletic or other event; possessing on one's person, premises (e.g., rooms, residence unit, car), or in a computer account or electronic format, any card, book, or other device for registering bets; knowingly using or permitting the use of one's premises or one's telephone or other electronic communication device for illegal gambling; knowingly receiving or delivering a letter, package, or parcel or electronic or telephonic communication related to illegal gambling; or playing or engaging in any game, at any place, by any device whatever for money or other thing of value. Students found in violation of the prohibition against gambling may be subject to disciplinary action up to and including dismissal.

Grievance Procedures for Nonacademic Disputes

This process should be followed for all nonacademic grievances of policies/procedures that are not governed by a specific academic center, program, college, or school. Academic grievances should be referred to the student's academic center. The purpose of these grievance procedures is to promote the orderly resolution of problems arising out of a student complaint concerning a policy, procedure, or administrative action of Nova Southeastern University. Grievances can often be adversarial, unpleasant, and unsatisfying, so we recommend that students discuss problems before resorting to the

formal grievance steps. When formal grievance steps are perceived as necessary, students have a right to a fair process and hearing without retribution.

1. First, the student should attempt to resolve an issue in dispute at the level at which the dispute occurred. This attempt must be in writing (i.e., email, regular mail, or fax). The student may wish to use certified mail to verify receipt of the correspondence. In the correspondence, the student must present a rationale for his or her position based on factual information.
2. The student will receive a reply, in writing, which addresses the complaint.
3. If the reply is not acceptable, the student is encouraged to submit the complaint in writing to the associate dean of student affairs. The associate dean of student affairs will attempt to resolve the dispute.
4. If the associate dean is unable to resolve the dispute, he or she will notify the student and the dean of student affairs in writing.
5. The student may then appeal in writing to the dean of student affairs.
6. The dean will investigate and review the findings, and will notify the student in writing of his or her decision.
7. The dean's decision is final and binding and cannot be appealed.

Guests

Students are welcome to bring guests to the campus, but must assume responsibility for the conduct of their guests and must accompany them at all times. If a guest is asked to leave a specific area of campus, it is the responsibility of the student host to cooperate with the university official making the request. The university reserves the right to exclude all guests from any area on campus in times of impending or actual crises or emergencies, such as hurricanes, campus disruptions, or bomb threats, and to exclude any guest(s) from any area of the campus for any reason the university deems appropriate.

Health Policies

Communicable Diseases Guidelines

It is the intent of the university to protect students from communicable diseases that pose reasonable risk of harm to members of the university community. It is also the intent of the university to protect the rights of those infected with a communicable disease. Students who do become infected with a communicable disease are subject to the guidelines listed below. The university will be flexible in its response to incidents of communicable diseases, evaluating each occurrence in light of this policy and current available medical information.

- NSU will make available to the university community detailed information concerning the transmissibility of communicable diseases and precautions that can be taken to prevent the spread of various communicable diseases.

The university shall provide detailed information concerning the risks associated with meningitis and hepatitis B and the availability, effectiveness, and known contraindications of any required or recommended vaccine to every student, or to the student's parent if the student is a minor, who has been accepted for admission.

Any students residing in on-campus housing at NSU shall provide documentation of vaccinations against meningococcal meningitis and hepatitis B unless the individual, if the individual is 18 years of age or older, or the individual's parent, if the individual is a minor, declines the vaccinations by signing a separate waiver for each of these vaccines provided by the institution, acknowledging receipt and review of the information provided.

- Infected students can continue to study and work as long as they are able to continue to perform regular responsibilities satisfactorily, and as long as the best available medical evidence indicates that their continual status does not present a health or safety threat to themselves or others.
- An infected student returning to school after a leave of absence for reasons related to a communicable disease must provide a statement from his/her treating physician indicating current medical status. Students should submit their statement to their program dean or appropriate designee based on the policies of their respective college, school, or center.
- Within reason, the university will make accommodations to the infected person, whenever possible, to ensure continuity in the classroom.
- No infected student may be dismissed from the university solely on the basis of a diagnosis of an infection of a contagious disease. A decision to dismiss or discharge will only be made after reasonable accommodation has been attempted, and an examination of facts demonstrates that the infected person can no longer perform essential requirements of the position or program, or poses a reasonable threat to the health and safety of those around him/her.

In the event that a student has a concern about the potential for the spread of a communicable disease within the university community, those concerns should be brought to the Office of the Dean of Student Affairs for review consistent with the current available information on the spread of the particular communicable disease. After review and evaluation of the concerns, if there appears to be a reasonable likelihood of the spread of the disease within the university community by an infected person, the Office of the Dean of Student Affairs will, after notification of the issues presented to the university president, contact the Centers for Disease Control and/or Broward Health Department for recommendations of appropriate action consistent with state law.

Immunization Requirements

Health Professions Division (HPD) students: See center specific policies.

All residential (residing in campus housing) students must satisfy the following requirements providing they were born after January 1, 1958. The required documentation of vaccinations shall include the following:

1. Meningococcal meningitis
2. Hepatitis B
3. Measles (rubeola), you must show proof of **two** of the following:

 - One dose of the MMR vaccine on or after the first birthday, the second dose must be at least 30 days after the first, and both must be in 1968 or later
6. One dose of rubella (German measles) is required.

Exemptions or waivers may be obtained at the university's discretion if the individual is 18 years of age or older, or the individual's parent, if the individual is a minor, declines the vaccinations by signing a separate waiver provided by the institution for each of these vaccines, acknowledging receipt and review of the information provided. Exemptions will not necessarily be accepted by the student's program center. Other students may be subject to the immunization requirements in order to participate in clinical or practicum studies. Students are advised to consult with their program to determine whether the refusal will affect their ability to continue their studies.

Immunization requirements are based on Florida state health regulations. Valid exemptions from providing immunity:

- Medical exemptions—Must produce a letter from a doctor, signed on his/her stationery, stating the reason for exemption and whether it is a temporary or permanent exemption
- Religious exemptions—On church stationery, signed by a minister, priest, rabbi, or head of church

Acceptable forms of documentation—The following documents are acceptable proof of immunity of measles and rubella. Forms must include specific dates, and the dates must satisfy the requirements stated previously.

Health Insurance

Nova Southeastern University requires all undergraduate day students and residential on-campus students to have some form of health insurance. Federal visa regulations also require international J-1 students and their J-2 dependents to maintain adequate health insurance throughout their stay in the United States.

If you are not currently insured, or your plan does not provide adequate coverage in South Florida, you are required to enroll in the Nova Southeastern University Student Health Insurance Plan. If you currently maintain comparable coverage, you must show proof of coverage to the Office of Recreation and Wellness.

All other registered students enrolled at Nova Southeastern University taking credit hours are eligible to enroll in the Student Health Insurance Plan on a voluntary basis.

Should you have any questions regarding the student health insurance plan, please feel free to contact the Office of Recreation and Wellness at (954) 262-7301.

Hurricane Procedures

A **hurricane watch** is a governmental agency announcement issued for an area when there is a threat of hurricane conditions, generally to strike within 36 hours.

A **hurricane warning** is an announcement issued for an area when hurricane conditions are expected to strike within 24 hours.

When a hurricane warning is received, all protective preparations should be made, with the expectation that the hurricane will strike.

Nova Southeastern University provides a 24-hour “Hurricane Hotline” for this type of emergency. The hotline number is (954) 262-7300.

Local hurricane shelter information can be obtained through county governmental information telephone numbers. For Broward County shelter information, contact NSU public safety at (954) 262-8981.

Hurricane Watch

In the event of a hurricane watch, the university president will confer with members of NSU administrative staff in preparation for hurricane protection activity.

Members of the university community may begin plans for evacuating the campus and preparing facilities and equipment for hurricane protection.

Hurricane Warning

If a hurricane warning is issued, the university president will decide if the university will be evacuated.

If the president orders the closing of the university, the appropriate directives will be relayed by the vice presidents to their areas of responsibility.

NSU Office of Public Affairs will contact major news organizations for immediate broadcast notification.

Closing Preparation for Residence Halls

- Pull all furniture away from windows. Expect water damage and flooding. Place loose articles and electronic items away from windows and onto closet shelves and in dresser drawers; lock doors.
- Those students who reside in rooms that are equipped with bathtubs are requested to clean the tub and fill it halfway with water. Fill several small containers with clean, fresh water for drinking purposes
- All windows must be closed tightly. If window blinds are provided, the blinds should be down and closed.
- Do not tape window glass.

- Each student should provide his or her own flashlight and radio, with extra batteries.
- **Candles are not allowed.** Do not use candles because they are a fire hazard.
- Residents should provide themselves with an adequate supply of nonperishable foods and water to last two or three days.

Safety Procedures

- Follow instructions of public safety officers and emergency personnel.
- Residence hall students: follow the instructions of residential life staff.
- Stay indoors until advised to exit.
- Do not open windows or doors to see what is happening outside.
- Beware of the **eye** of the storm. The eye is the center of the hurricane, which may bring a temporary period when the air may be calmed. Do not leave your safety or shelter until advised by public safety or the local officials. Residential students will be notified by residential life staff.
- When the “all-clear” is given, exit your location with extreme care. Beware of electrical wires, broken glass, and falling or fallen objects.
- Do not enter structures, vehicles, or areas that are damaged; many people are killed after a storm by electrocution.
- For NSU opening information, call the NSU Hurricane Hotline at (954) 262-7300.
- Enter NSU property only after permitted, and follow safety instructions.

Broadcast Information

An email message regarding the university closure will be instituted within the NSU email system. The NSU telephone central switchboard will also be available for direct information.

Reopening Information

University staff members and students should tune into radio and television stations for a status report as to when the university will reopen.

Keep a portable radio and plenty of spare radio batteries.

Interference with University Investigations and Disciplinary Proceedings

Interference with university investigations, administrative procedures, or disciplinary proceedings, or judicial proceedings such as those conducted by the Department of Public Safety, Office of the Dean of Student Affairs, Department of Residential Life, or any other university office authorized to conduct investigations or disciplinary proceedings is prohibited. This includes, but is not limited to, the use of force, threat of force, coercion, or promise of reward to any person or property of persons involved in university investigations or disciplinary proceedings. No person may, without authorization, examine, take possession of, alter, or destroy university investigations or destroy university records or evidence. Interference with university investigations, disciplinary proceedings, or records may result in disciplinary action.

In an effort to foster and provide an environment free from bias or prejudice for the parties involved, publication (verbal or written communication(s)) regarding any university investigatory, administrative, disciplinary, or judicial proceeding is prohibited, if the publication is deemed by the appropriate official overseeing the proceeding to compromise the impartiality and integrity of the proceeding.

Communication related to the proceeding will be limited to identified individuals using administrative discretion on a need-to-know basis.

Jurisdiction of University Policies and Procedures

Students must adhere to NSU policies and procedures on the main campus; at any other NSU site; or while participating in any university-sponsored program, event, or activity.

Lake Swimming

Swimming in any lake, canal, and/or body of water on the Nova Southeastern University campus is strictly prohibited and any violators of this policy will be subject to disciplinary action.

Life-Threatening Behavior

Nova Southeastern University recognizes that certain life-threatening behavior (e.g., suicide threats, gestures, or attempts; eating disorders; substance abuse; threats, gestures, or attempts to harm others) is a sign of personal distress. The university is committed to helping students alleviate whatever stress factors are precipitating life-threatening behavior by providing support and/or referral through use of appropriate resources. However, since it is critically important to maintain civility and respect for all members of the university community, it is recognized that action must be taken when such behavior is considered by the university to be disruptive to and unacceptable in the academic and social/living environment.

Littering/Projecting Objects

Students may not throw, discard, place, or deposit litter or project objects from university buildings or on university grounds except in receptacles provided for such purposes.

Misuse of Telephones

NSU students who misuse telephone lines or university accounts will be subject to disciplinary action and restitution.

Noise

The university noise policy is based on the belief that all students have a responsibility to respect the rights, health, security, and safety of other university and community members. Excessive noise that disturbs the campus environment, unless approved by the Office of the Dean of Student Affairs or designee for a special event, is not allowed. Students are held responsible for the actions of their guests.

Off-Campus Violations

The university reserves the right to take disciplinary action for violations of the Code of Student Conduct and Academic Responsibility and university policies and procedures, even when they occur off campus.

Parent/Legal Guardian Notification

University personnel may use administrative discretion in parental or legal guardian notification in writing and/or by phone of a student under 21 years of age when alcohol or drug violations of the university occur or when a student's welfare is at issue.

Parking and Traffic Policies

- In order to park a motor vehicle on campus in any university parking area, the vehicle must be registered with the university, and a parking permit must be properly displayed.
- All administrators, faculty members, staff members, students, and visitors must register vehicles to be driven or parked on campus.
- All administrators, faculty members, staff members, students, and visitors are responsible for any violations of these regulations in which their vehicle is involved.
- Motorcycles, motor scooters, and mopeds are subject to the regulations governing automobiles.
- The Public Safety Department is authorized to designate any spaces as temporary reserved parking.
- Abandoned vehicles are subject to towing at the owner's expense, unless the owner notifies the Public Safety Department in writing at the time the vehicle becomes disabled. The executive director of public safety will determine whether a disabled vehicle is allowed to remain on campus.
- Vehicle repairs that create a nuisance are not permitted on campus. Any property damage caused by the making of any repairs is the responsibility of the person making such repairs.
- Trailers or mobile campers are allowed to be parked on campus only with written permission from the executive director of public safety.
- The maximum speed on any NSU driveway or roadway excluding those owned and managed by the town of Davie, Broward County, or the state of Florida is 15 miles per hour or less.
- All vehicle operators must obey public safety and police direction and instructions regarding operating and parking motor vehicles.
- **Nova Southeastern University assumes no liability for damages to any vehicle parked or driven on campus.**

For additional information, please visit the public safety Web site at www.nova.edu/cwis/pubsafety.

Pets

No pets or animals, other than fish, are permitted on campus, including all residence halls, with the exception of service animals.

Privacy of Records

The U.S. Department of Education's Family Educational Rights and Privacy Act (FERPA) is available at www.ed.gov/policy/gen/guid/fpco/ferpa or www.nova.edu/cwis/finaid/information/ferpa.html.

Several laws provide for significant safeguards for the protection of the privacy rights of students with respect to educational records and/or personally identifiable information. The applicable laws provide guidance regarding a student's right of privacy with respect to their educational records. Personally identifiable records or reports of a student and any personal information contained therein are to be maintained in a confidential manner that is consistent with university policy and procedure.

The Family Educational Rights and Privacy Act of 1974 (FERPA) places certain limitations on the disclosure of personally identifiable information maintained by the university with respect to students and limits access to educational records, including the right to access, the right to obtain copies, the right to seek correction of such records through informal and formal internal procedures, and the right to place a statement in such educational records explaining any information that he or she believes to be inaccurate or misleading.

The university has adopted a policy with respect to its educational records consistent with the requirements of FERPA and the regulations promulgated under the act.

NSU maintains a system of records that includes application forms, admission test scores, and transcripts of students' previous academic records and performance while in residence. These records are available for review by current and former students upon written request to the Office of the University Registrar. However, the registrar will not release transcripts of students' academic records until all accounts, both academic and nonacademic, have been paid.

The law limits access by and disclosure to a third party. Such access is given only upon consent of the student or if required by law, except for the following information, which may be released as directory information: (a) student's name, (b) address, (c) dates of attendance, and (d) degree and awards received. Requests for such information must be submitted in writing to the university. The university reserves the right to refuse the above information if the reason for the request is not considered sufficient.

Any student or parent not wishing to have this information disclosed should notify the Office of the University Registrar in writing before September 1 of the relevant school year.

A person does not have the right of access to educational records until he or she has been admitted to and has actually begun attending Nova Southeastern University. There is no prohibition from disclosing such information to the parents of students who are listed on their parents' federal income tax forms.

Parents or eligible students will be provided a hearing by the university if they wish to challenge the content of the record. If they are still not satisfied, the parents or eligible students may add explanatory or rebuttal matter to the record.

If the students or parents are denied access to a hearing or if the records are alleged to have been illegally disclosed to a third party, the students or parents may file a complaint with the U.S. Department of Education.

Procedure to Inspect Educational Records

Students may inspect and review their educational records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate university staff member a written request that identifies as precisely as possible the record or records he or she wishes to inspect. The record custodian or an appropriate university staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given 45 days or fewer from the receipt of the request. When a record contains information about more than one student, the student may inspect and review only the record that relates to him or herself.

Right of university to refuse access

The university or division reserves the right to refuse to permit a student to inspect the following records:

- financial records of the student's parents, or any information contained therein
- letters and statements of recommendations respecting admission or employment for which the student has waived his or her right of access
- records connected with an application to attend the university or component unit of the university if that application was denied
- those records that are excluded from the FERPA definition of educational records

Refusal to provide copies

The university reserves the right to deny transcripts or copies of records not required to be made available by the FERPA in either of the following situations:

- the student has an unpaid financial obligation to the university
- there is an unresolved disciplinary action against the student

Health Care Privacy (HIPAA) Statement

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires health care providers to abide by the regulations for privacy and confidentiality of protected health information (PHI). The HIPAA privacy rule covers all individually identifiable health information at Nova Southeastern University health care centers whether the information is electronic, paper, or spoken.

Because NSU operates health care centers, it is responsible for enacting privacy policies and procedures. The various NSU colleges, schools, and educational programs have enacted policies for their health care centers. NSU health care center staff members, students and faculty members are responsible for following the policies that have been implemented by the applicable NSU health care center.

In addition, the HIPAA privacy rule also requires that NSU provides education for health care center staff members, students, and faculty members. As such, all applicable NSU colleges, schools, and educational programs shall train their students rotating at NSU health care centers and other health care facilities in compliance with the requirements of NSU's HIPAA privacy policies and procedures, patient privacy and confidentiality practices, privacy laws, and the Federal HIPAA privacy regulations.

NSU students and faculty members may also be subject to the HIPAA privacy policies and procedures enacted by the various health care facilities in which they train. It is the responsibility of the student and faculty member to familiarize himself or herself with these policies upon entering each facility.

Any questions concerning the policies can be directed to the privacy contact of your NSU health care center or the NSU privacy officer.

Public Laws

Students are responsible for compliance with all public laws. Any act that could constitute a violation of public laws will establish cause for legal and/or disciplinary action by the university.

Sexual Misconduct and Harassment

The following three sections relate to NSU policy and definitions of sexual misconduct and sexual harassment.

Sexual Misconduct Policy

NSU, in compliance with the spirit of various federal and state laws (e.g., Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964, and other similar state and federal statutes or regulations), adopts the policy and fosters an environment where no individual may threaten the health, safety, and welfare of a member of the university community; or any person on university property; or at a university-sponsored or -supervised activity, through the commission of a sexual assault, engaging in sexual harassment, discrimination, battery, and/or misconduct, including acquaintance rape.

Definition: NSU acknowledges acquaintance rape in its definition of sexual assault. Acquaintance rape is defined as forced, manipulated, or coerced sexual intercourse by a friend or acquaintance. It is an act of violence, aggression, and power, in which the victim, under protest or without consent, is forced to experience a sexual act through verbal coercion, threats, physical restraint, and/or physical violence.

Consideration and rights to be afforded to all campus community members regarding the type of sexual assault:

- a. the right to have all sexual assaults against them treated with seriousness; and the right, as victims, to be treated with dignity
- b. the right to have sexual assaults committed against them investigated and adjudicated by the duly constituted criminal and civil authorities of the governmental entity in which the crimes occurred; and the right to the full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
- c. the right to be free from pressure that would suggest that the victim: (i) not report crimes committed against him/her to civil and criminal authorities or to the campus public safety and disciplinary official; or (ii) report crimes as lesser offenses than the victim perceives them to be
- d. the right to be free from suggestions that sexual assault victims not report, or underreport, crimes because (i) victims are somehow responsible for the commission of crimes against them; (ii) victims were contributorily negligent or assumed the risk of being assaulted; or (iii) by reporting crimes, they would incur unwanted personal publicity
- e. the right to the full and prompt, reasonable cooperation from campus personnel in responding to the incident
- f. the right to have access to counseling services established by the university or other victim-service entities
- g. after campus sexual assaults have been reported, the victims of such crimes shall have the right to require that campus personnel take the necessary steps or actions reasonably feasible to prevent unwanted contact with, or proximity to, alleged assailants
- h. the right to be informed of disciplinary proceedings, as well as the outcome of such proceedings
- i. the same right to assistance, or ability to have others present, that is afforded to the accused during any campus disciplinary proceedings

Disciplinary Action: In addition to any criminal or civil actions that may be pending or in process, the university reserves the right to pursue separate disciplinary action against any individual who violates any portion of this policy.

Education and Information: The university, through the departments of the Office of the Dean of Student Affairs, residential life, recreation and wellness, and public safety, provides educational and informational programs and materials regarding awareness of rape, acquaintance rape, and other sex offenses. This information is provided through scheduled and on-demand programs.

Nova Southeastern University students are encouraged to report to the police (9-911 on campus and 911 off campus), public safety (extension 8999 on campus and (954) 262-8999 off campus), and a university administrator all occurrences of sexual assault, either violent assault or acquaintance (date) rape. Professional staff members in the Office of the Dean of Student Affairs, residential life,

student counseling, and public safety are among those who are trained and willing to assist students who are victims of sexual assault.

If the victim then reports the crime to an administrator, the following procedure will prevail.

- **Third-Party Reports:** When there is a report of sexual assault, the person receiving the report whether a student, faculty member, or staff member is encouraged, in turn, to report the incident to a student life and/or residential life administrator. If the person reporting that assault is a third party (not the victim), the administrator will do the following:
 - a. advise the reporter to counsel the victim to seek medical assistance
 - b. advise the reporter to encourage the victim to talk with a counselor from the Rape Center in Broward County, a staff counselor at the University Counseling Center, a student affairs and/or residential life administrator, the director of public safety, or some other university official
 - c. protect the confidentiality of the victim (if name is known)
- **Victim Reports:** If a student who is a victim of sexual assault reports the matter to a university administrator or any other university employee, the administrator and/or employee will encourage the victim to seek immediate medical attention and assist the victim in appropriate methods and avenues to receive medical care. In reporting a sexual assault, the victim controls the process. The administrator and/or employee will encourage the victim to authorize notification of the university Public Safety Office (PSO) of the occurrence of the crime, and then to cooperate with PSO and student life and/or residential life and housing in reporting the matter to the rape victim advocate in the state attorney's office and to local police. The victim will be assured of university support including reasonable confidentiality, full cooperation with any police investigation, and counseling through the University Counseling Center and the Rape Crisis Center. If the victim authorizes the notification of PSO, the administrator and/or employee will inform the Office of the Dean of Student Affairs, which will assist as liaison with PSO.

Harassment Statement

Harassment is defined as any conduct (words or acts), whether intentional or unintentional or a product of the disregard for the safety, rights, or welfare of others, which causes physical, verbal, or emotional harm; or conduct, which intimidates, degrades, demeans, threatens, hazes, or otherwise interferes with another person's rights to comfort and right to be free of a hostile environment. This includes, but is not limited to, loud or aggressive behavior; behavior that disrupts the orderly functioning of the university; disturbs the peace and/or comfort of person(s) on the campus of the university; creates an intimidating, hostile, or offensive environment. It also includes any conduct (words or acts) in which the university can determine a threat exists to the educational process or to the health or safety of a member of the NSU community.

Sexual Harassment Policy

It is the intent of Nova Southeastern University to protect all employees and students from sexual harassment. Sexual harassment is a violation of Title VII of the Civil Rights Act of 1964. Sexual harassment undermines the integrity of the employment and academic environment, debilitates morale, and interferes with the effectiveness of employees and students. In accordance with the Equal Employment Opportunity Commission's promulgated guidelines, unwelcome sexual advances, unwanted requests for favors of a sexual nature, and any other unwanted verbal or physical conduct of a sexual nature are considered sexual harassment if

- explicit or implicit submission to sexual overtones is made a term or condition of employment or academic program status

- employment or academic program status decisions are made on the basis of whether submission to or rejection of sexual overtones occurred
- a sexually intimidating, hostile, or offensive atmosphere unreasonably interferes with an individual's work or academic program status performance

At Nova Southeastern University, sexual harassment of or by employees or students includes:

1. unwelcome or unwanted sexual advances. This includes unwelcome physical contact or sexual advances considered unacceptable by another individual.
2. requests or demands for sexual favors. This includes subtle or blatant pressures or requests for any type of sexual favor, accompanied by an implied or stated promise of preferential treatment or negative consequence concerning one's employment or academic program status.
3. verbal abuse that is sex-oriented or considered unacceptable by another individual, as well as sexually derogatory comments. This includes commenting about an individual's body or appearance when such comments go beyond mere courtesy, telling jokes that are clearly unwanted and considered offensive by others, or other tasteless sexually-oriented comments, innuendoes, or actions that offend others.
4. engaging in any type of sexually oriented conduct that would unreasonably interfere with another's work or academic program status performance. This includes extending unwanted sexual attention to someone that reduces personal productivity or time available to work at assigned tasks.
5. creating a work or academic program status environment that is intimidating, hostile, or offensive because of unwelcome or unwanted sexually-oriented conversations, suggestions, requests, demands, physical contacts, or attentions.

Nova Southeastern University will not tolerate sexual harassment. Sexual harassment is an insidious practice. It demeans individuals being treated in such a manner, and creates unacceptable stress for the entire organization. Persons harassing others will be dealt with swiftly and vigorously.

Normal, non-coercive interaction that is acceptable to both parties is not considered to be sexual harassment.

All allegations of sexual harassment of or by an employee, client, or vendor will be promptly and thoroughly investigated by the Office of Human Resources and should be reported promptly to the Director of Human Resources.

At Nova Southeastern University, sexual harassment by employees of students is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when

1. submission to such conduct is made to appear to be a term or condition of enrollment, attendance, or participation in a class
2. submission to or rejection of such conduct affects academic decisions
3. such conduct has the purpose or effect of unreasonably interfering with a student's academic performance, or creating an intimidating, hostile, or offensive academic environment
4. unwelcome physical contact, including but not limited to patting, pinching, or touching
5. offensive or demeaning sexual remarks, jokes, or gestures

Students aggrieved by a violation of this policy may file a grievance under their center's grievance procedure, or may report the conduct to the dean of the center, any other faculty member or the director of human resources. All reports of sexual harassment will be thoroughly investigated by the Office of Human Resources.

Any individual who violates any portion of this policy will be subject to disciplinary action, up to and including discharge.

At Nova Southeastern University, romantic and sexual relationships between a faculty member and a student are subject to the prohibition against sexual harassment.

Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member's class (including supervised student activities for which academic credit is given) may appear to be coercive, and are prohibited. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in that class. It is, therefore, improper conduct and prohibited for a faculty member to engage in a romantic or sexual relationship with a student then enrolled in the faculty member's class.

Smoking Policy

The university has adopted a "no smoking" policy in accordance with the Florida Clean Indoor Air Act, and evidence that indicates that passive smoking, i.e., involuntary inhalation of pollutants in the air produced by the smoking of others, is potentially harmful to nonsmokers in the closed environment of our buildings.

Accordingly, it is determined that there is no smoking in any Nova Southeastern University classroom/administrative facility.

Although smoking is permitted outside buildings, smoking should be done away from public entrances and exits so that those entering, leaving, and occupying the building will not be exposed to secondhand smoke. This policy does not apply to living quarters (residence halls), which are subject to a separate smoking policy.

Solicitation and Posting Policy

All on-campus sales and solicitations must be operated or sponsored by a university-recognized student organization and must receive the proper authorization. The Office of Residential Life and Housing must approve sales and solicitations in the residence halls. The Office of the Dean of Student Affairs must approve sales and solicitations in all other areas on campus.

The Office of the Dean of Student Affairs must approve all posters, flyers, and solicitations on campus. Solicitation includes the distribution of flyers, posters, and announcements. The Office of the Dean approves and posts flyers on designated campus bulletin boards (four in the Parker Building and one in the Rosenthal Student Center) and other areas on campus except in the residence halls (for the posting policy in the halls, contact the Office of Residence Life and Housing). Approved and stamped flyers are posted for two weeks, after which they are discarded. The event must be scheduled at least a week in advance in order for the flyer to be posted.

The following flyers are acceptable

- looking for a roommate
- selling a car, book, furniture, etc.

- events or information associated with NSU clubs and organizations
- events or information associated with NSU administrative offices or academic programs
- academic services and programs associated with NSU

The following flyers are not acceptable

- publicity making any reference to drugs or alcohol, containing discriminatory language, or containing inappropriate photos, graphics, or language
- outside vendor or company promotions
- outside vendor health insurance information

Approval of all information to be posted is at the final discretion of the Office of the Dean of Student Affairs. Flyers posted without the approval and stamp of the Office of the Dean of Student Affairs will be removed from the posting area. All posters should be removed from the posting area by the sponsoring organization after the event has ended. Flyers (maximum of five per event) will be approved in the Office of the Dean of Student Affairs, Room 100, in the Rosenthal Student Center.

Academic centers, colleges, and schools may have their own specific solicitation and posting policies that are not governed by the Office of the Dean of Student Affairs. See center, college, or school for their specific policies and procedures.

Stalking

Any individual who willfully, knowingly, maliciously, or repeatedly follows; harasses; attempts to contact or communicate (written, verbal or electronic); and makes a credible threat placing the individual in reasonable fear of death or bodily harm may be in violation of NSU's stalking policy. Such conduct is prohibited. Stalking causes substantial emotional distress in individuals and serves no legitimate purpose. Course of conduct means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose.

Student Publications

Nova Southeastern University, as publisher, bears the legal responsibility for the contents of student publications. In the delegation of editorial responsibility to students, the university provides sufficient editorial freedom for the student publications to maintain their integrity of purpose as vehicles of free inquiry and free expression in the Nova Southeastern University academic community.

The delegated editorial freedom of student editors and managers is subject to corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel; indecent, undocumented allegations; attacks on personal integrity; and the techniques of harassment and innuendo.

As safeguards for the delegated editorial freedom of student publications, the following provisions are made:

- the student press shall be free of censorship and advance approval of copy, and its editors and managers shall be free to develop their own editorial policies and news coverage
- editors and managers of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes shall editors and managers be subject to removal, and then by orderly and prescribed procedures

- all university published and financed student publications shall explicitly state on the editorial page that the opinions therein expressed are not necessarily those of Nova Southeastern University or of the student body

Theft or Unauthorized Possession

Students involved in the taking, sale, or possession of property without the consent of its owner or without proper remuneration may be subject to university disciplinary action and a fine, as well as arrest and prosecution by legal authorities.

Title IX Compliance Policy

Title IX of the Educational Amendments of 1972 prohibits sex discrimination in schools, whether in academics or athletics. In furtherance of Title IX, Nova Southeastern University has adopted a policy that complies with all regulations set forth therein. It is the university's policy that no student enrolled at NSU shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance.

Travel

Students are responsible for adherence to the university code of conduct and all university policies and procedures while attending or participating in university-sponsored programs, activities, and/or events off of the main campus or at any NSU sites.

The travel office provides basic travel services for students, faculty members, and staff members. Please visit the travel office Web site for a current listing of NSU discounts with airline, car rental companies, and hotels at www.nova.edu/cwis/bsv/travel.

Trespass Policy

Nova Southeastern University reserves the right to prohibit trespass onto its property. University employees whose duties include building or property supervision or the general safety and protection of persons or property may issue a trespass warning. A trespass warning may be issued to students or nonstudents and may apply to an individual's vehicle, as well. The revocation of a person's privilege to be on the lands, within the buildings, or on the premises of the university may be restricted to time and place by the agent of the university issuing the trespass warning.

Unauthorized Entry

Any student who enters, attempts to enter, or remains in any room, building, motor vehicle, trailer, or machinery without proper authorization may be subject to university disciplinary action, as well as arrest and prosecution by legal authorities.

Unauthorized Possession of University Property

Students in possession of property owned or controlled by Nova Southeastern University without authorization for such property will be subject to university disciplinary action and/or restitution. In addition, students may be referred to legal authorities for prosecution.

Use of University Vehicles

All student use of university vehicles must be appropriately authorized. Student drivers must have completed the defensive driving course sponsored by public safety and have been approved to drive by university risk management. In addition, students are expected to adhere to the code of conduct, university policies and procedures, and all state and federal laws while operating a university vehicle.

Vandalism or Destruction of University Property

Defacing, littering, or damaging property of the university is prohibited.

Weapons

Weapons are prohibited on campus. A weapon includes

- any item designed to inflict a wound or cause injury to another person
- any item used to harass, threaten, intimidate, assault, or commit battery
- any item the university deems dangerous

Firearms and ammunition are strictly prohibited from the campus under all circumstances.

Worthless Checks

1. Students who make and/or deliver checks to Nova Southeastern University or any of its affiliates that are not honored by a bank for proper cause shall be subject to a charge for administrative costs, restitution, and disciplinary action.
2. Students who make and/or deliver worthless checks in payment of tuition and fees shall be subject to cancellation of their registration and denial of admission to classes until full restitution is made.
3. In addition, students who make and/or deliver worthless checks to the university or any of its agents may be subject to criminal prosecution by legal authorities.

Libraries

The Alvin Sherman Library, Research, and Information Technology Center, which forges a joint-use partnership with the Broward County Board of Commissioners, opened on December 8, 2001. This library has five levels, 325,000 square feet, a 3,800-square-foot atrium lobby, 1,200 user seats (1,000 with Internet access), 100 reference computer workstations, space for 1.4 million volumes (books, journals, and periodicals), 1.2 million microform units, and a centralized circulation area. A multi-story parking garage with more than 1,500 spaces is near the library.

The university library system is composed of the joint-use library, East Campus Branch Library, Health Professions Division Library, Law Library, North Miami Beach Branch Library, Oceanographic Library, and four school libraries on the main campus. Agreements have been signed with 19 academic libraries throughout the world to provide library support for NSU programs offered in specific geographical areas. The catalogs of all libraries are accessible to local and distance educa-

tion students and faculty members, wherever they may be located, via computers using the Electronic Library. Overall, the university's libraries house approximately 410,000 volumes and 1,300,000 microform units. Online databases complement the paper-based holdings and provide full-text resources. Interlibrary loan arrangements through networked organizations such as the Online Computer Library Center (OCLC), the Southeast Florida Library Information Network (SEFLIN), the Consortium of Southeastern Law Libraries (COSELL), and the National Library of Medicine (NLM) provide broad access to a wide range of materials.

To augment the libraries' print materials, the Office of Media Services has an extensive collection of more than 1,200 items of nonprint materials (principally audiovisual materials), and a video production studio to support classroom instruction. In addition, the center provides technical assistance for distance learning delivered by teleconferencing. The university's microcomputer laboratory resources include a growing inventory of instructional software for use by students and faculty members.

University Bursar

The Office of the University Bursar is responsible for collecting tuition and fees, residence hall charges, and meal plans charged to students' accounts. Refunds resulting from student loans, scholarships, and

grants are handled by loan disbursing. Refunds are not issued until loan proceeds are received by NSU. It is the policy of NSU that payment is due within 30 days from the start of the term. If payment is not made within 30 days, the student's account will be assessed a \$50 late payment fee and a hold will be placed on the account preventing any additional registrations. Payment may be made by cash, check, and credit card. The term "check" includes money orders, traveler's checks, cashier's checks, loan checks, personal checks, international checks (in U.S. funds only), and certified checks. NSU accepts Discover, MasterCard, VISA, and American Express. Please contact the bursar's office at 800-806-3680 for other payment arrangements, such as wiring funds from abroad. Credit card and WebCheck payments via the Web are available from the student's secure WebSTAR account.

Direct deposit is the fastest way to receive refunds. In order to be eligible for this service, students must complete the direct deposit authorization form. The authorization form appears on the student's monthly statement or may be printed from the NSU bursar's Web site at www.nova.edu/cwis/bursar under loan disbursing and mailed or faxed to the bursar's office with a voided check (required). The student's direct deposit authorization will remain in effect until canceled in writing and received by the bursar's office. Students should notify the bursar's office if they move or change banks. For further information, contact the bursar's office at 800-806-3680.

Office of Student Financial Assistance

The Office of Student Financial Assistance assists students in obtaining funds necessary to pursue their educational objectives. Financial assistance includes grants, loans, student employment, and scholarships. In order to be considered for federal and most state aid, students must complete the Free Application for Federal Student Aid (FAFSA), meet specific eligibility criteria, and be enrolled or accepted for enrollment as a regular student (i.e., all admissions requirements/documents have been satisfied) working toward a degree or certificate in an eligible program. For more detailed information regarding the financial aid process, contacts, policies and procedures, and other pertinent information, students should visit the NSU financial aid Web site at www.nova.edu/cwis/finaid.

The earlier students apply, the more chance they will receive funds in a timely manner, if eligible. The preferred method for applying for financial aid is online through FAFSA on the Web at www.fafsa.ed.gov, which saves processing time and reduces the chance of errors due to edit checks. Students should include their email addresses on the FAFSA in order to receive information via email, including their Student Aid Report (SAR) and financial aid history.

The Office of Student Financial Assistance staff is available to assist students in the completion of the FAFSA, and answering questions concerning the financial aid process. For further information, please call 800-806-3680.

Standards of Progress

A student receiving veterans benefits must maintain satisfactory progress. Students will be considered to be making satisfactory progress as long as they meet the academic standards set by their school for retention in their degree programs.

A student who, at the end of any evaluation period, has not attained and maintained satisfactory progress will be certified, in a probationary status, for only one additional evaluation period. Should this student not attain and maintain satisfactory progress by the end of the probationary period (one evaluation period), the student's VA educational benefits will be terminated for unsatisfactory progress.

A student whose VA educational benefits have been terminated for unsatisfactory progress may petition the school to be recertified after one evaluation period has elapsed. The school may recertify the student for VA educational benefits only if there is a reasonable likelihood that the student will be able to attain and maintain satisfactory progress for the remainder of the program.

For VA payment of benefits purposes, an Incomplete (I) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one calendar year unless permission for a delay is granted by the academic dean for that program. An no grade (NG) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one regular semester unless permission for a delay is granted by the academic dean for that program.

Grade/Progress Reports

Each VA student will be provided a grade/progress report at the end of every evaluation period (e.g. term, semester). A copy of each report will be placed in the student's permanent file maintained by the school. The university periodically furnishes each student with a working transcript that shows current status of grades and earned semester hours for all courses completed and/or attempted, plus grades for courses in which the student is currently enrolled.

Credit for Prior Training (CPT)

Nova Southeastern University complies with federal regulations for veterans' training that it is mandatory for all veterans benefit recipients to report either prior education and/or training. A student receiving veterans benefits that have previous post-secondary educational training/experience must request official transcript(s) be sent to the school. If the transcript has not been received prior to the end of the student's second term here at Nova Southeastern University, the student can not be certified for veterans benefits for the upcoming term. The student can be certified for veterans benefits after the transcript has been received.

The school will evaluate the student's previous training and/or experience and grant credit as appropriate. Should credit(s) be accepted and/or granted, the student's tuition and training time will be reduced proportionately, with the veteran and VA so notified.

Wireless Networking—NSU WINGS

NSU's wireless networking project, NSU WINGS, provides mobile network access for the students of the university. The wireless network is available at all NSU campuses and student educational centers. For information and instructions on registering for NSU WINGS, please visit www.wireless.nova.edu.
